MP-M Series
MP-MFC

Wall controller for MP-M Series mixers

Features

- Configure as much or as little control as needed

- Control zone source selection, zone output level, input level selection and scene recall

- Three buttons (increment, decrement, select)

- Crisp 27 mm x 26 mm monochrome graphic display

- Daisy chain up to four MP-MFC controllers per line

- Available in black or white

- Available in NA and EU sizes

The MP-MFC series is an elegant set of wall mount controllers designed to provide the end user with intuitive system control of the MP-M Series music and paging mixer. Designers can configure these control peripherals to provide as much or as little control over the system as needed.

Installers can easily configured the MP-MFC for use with the MP-M Series mixer (using the free MP Install app for Android/iOS tablets as well as Mac and PC desktops) to control source selection and volume for a zone as well as recalling scenes. The MP-MFC controller features three large buttons (increment, decrement, select) as well as a crisp 27 mm x 26 mm graphic display which clearly labels selectable functions and options.

The MP-M Series mixer has two ports for MP-MFC connectivity, each of which can accommodate four daisy-chained MP-MFC controllers with a maximum total cable length of 250 meters per port. Up to eight MP-MFC controllers may be connected to a single MP-M Series mixer using standard CAT5 (RJ45) cabling.

Model	MP-MFC
Controls	Three buttons (increment, decrement, and select)
Connectors	2x RJ45
Display	128 x 128 pixels, 27 (L) x 26 (W) mm viewing area
Available Colors	Black, white
Connection Max	Per MFC port: Daisy chain up to 4 MP-MFC controllers, with a 250 m maximum cable length
	Total: Up to 8 controllers per MP-M Series mixer
Versions	MP-MFC-NA-BK – North American version, black
	MP-MFC-NA-WH – North American version, white
	MP-MFC-EU-BK – European version, black
	MP-MFC-EU-WH – European version, white
Design Tool	Use MP Install to customize the available controls options per MP-MFC controller
Net Dimensions (HWD)	North American versions: 4.5 in x 2.75 in x 1.4 in (11.4 cm x 7.0 cm x 3.5 cm)
	European versions: 3.5 in x 3.5 in x 1.4 in (8.9 cm x 8.9 cm x 3.6 cm)
Net Weight	All Versions: 0.2 lb (0.1 kg)
