

DaVinci Resolve Micro Color Panel

\$605

The DaVinci Resolve Micro Color Panel is a compact yet powerful color panel that gives you all the control you need to create cinematic images. The Micro Panel features a row of direct control knobs at the top of the panel, three trackballs with rings for color grading and transport keys to speed up your grading session. Includes controls for refined color grading including adding windows and a tablet slot designed to hold an Apple iPad. Connects via Bluetooth or USB-C.
